BIBLICAL PRIORITIES COURSE OVERVIEW:

The Biblical Priorities online biblical leadership training course educates students regarding the most important biblical priorities for followers of Christ. Students will gain a more profound understanding of what loving God and loving one's neighbour meant when the Commandments were written and what they should mean to believers today. The Biblical Priorities course equips students with practical tools that empower them to grow in right relationship with God and with man.

Course Objectives:

To equip students with a biblical understanding of what is most important for followers of Christ.

To identify specific actions students should take to love God wholeheartedly.

To identify specific actions students should take to love one's neighbour as oneself.

To foster an ever-deepening love of God.

To equip students with biblical tools to love others the same way Christ loves us.

Required Student Resources:

This online Christian biblical leadership training course requires all students to have access to the Internet and Zoom account with video and audio capabilities for online classes.
